Rally - Conditions of Entry

If you have any queries regarding these, need further information, or have special requirements please do not hesitate to get in touch. We are practical people - our aim is to help not hinder.

MRT is the Moseley Railway Trust.

1. General

- 1.1. A steam powered exhibit that is intended to be in steam while on site must have a current boiler certificate and third party insurance cover appropriate to its function.
- 1.2. All stationary engines and static exhibits must have appropriate third party insurance. The organisers may, at their discretion, waive this condition for non-operating static exhibits.
- 1.3. Any self propelled vehicle or exhibit and driver thereof must be covered by insurance that meets the minimum requirements of the Road Traffic Act irrespective of whether the exhibit is or is not licensed for use on the public highway.
- 1.4. Relevant certificates must be produced when requested.

2. Stationary Engines

- 2.1. When in operation a Stationary Engine must be attended at all times by either the entrant or a responsible person delegated by the entrant.

3. Model Traction Engines and other Similar Vehicles

- 3.1. MRT will normally permit the free movement of small models around the site. Exhibitors intending to operate large models must consult with MRT prior to the event regarding the provision of suitable facilities.
- 3.2. Entrants/owners must ensure that their models are only driven by persons insured and competent to do so, and that they are driven in a safe and proper manner at all times.
- 3.3. Engines in steam must never be left unattended.

4. Cars and other Road Vehicles

- 4.1. Static display only, unless otherwise requested by MRT.

5. Dogs on Site

- 5.1. Exhibitors may have dogs with them on site provided that they are kept under control at all times and not allowed to run loose.
- 5.2. Dogs (other than guide dogs) are not permitted in any building.
